The European Health Union 2024 and beyond

Policy Roundtable May 2024

Invest in and deliver the green transition.

Transform the Health Union from a set of initiatives into a strategic mission. STRATEG/C

Target health workforce, AMR, mental health, cancer, CVD, pharma legislation, disease prevention.

ACTION ORIENTED

Mobilise existing EU tools and public budgets.

Align markets, legal frameworks, and policies.

DIGITALISED

Long-term vision for health as a cross-cutting priority. Health is not a side effect of the internal market.

Implement EHDS, HTA, AI regulations, and utilise data beyond health.
